

## *Sales and delivery conditions for INGEMANN*

### **1. Application**

For all orders and deliveries Orgalime S 2012 shall be applied except for cases when contradicts to the present conditions or agreed otherwise between the parties.

### **2. Offers**

Unless otherwise stated, the offers made by INGEMANN are valid for 3 months from the date of offer. When ordering after the deadline INGEMANN is entitled to change the offer. The prices quoted are excluding VAT, any other taxes and packaging materials, unless otherwise stated in the offer. INGEMANN owns the drawings and proposals prepared in connection with the offer, and they may not without the permission of INGEMANN be copied or made available to third parties.

Neither dealers, nor distributors are authorized to make changes or attributions in the offer, and INGEMANN may not be held responsible for such changes, unless such are done with prior written permission from INGEMANN.

### **3. Orders**

All orders must be confirmed in writing by INGEMANN prior to a binding agreement may be considered concluded.

The order is delivered to the confirmed price subject to price increases as a result of changes in trade conditions, duties, exchange rates, raw material supplies and other like which are beyond INGEMANN control.

Artwork, sketches and other content in the brochure, catalogs, circulars etc. are approximate and may not be considered binding.

INGEMANN retains the right to make any changes deemed technically necessary while execution of the order.

Unless otherwise indicated on the drawings or agreed in writing, the order will be produced and delivered in accordance with DS/ISO 2768 – M.

### **4. Terms & Conditions**

Unless otherwise agreed in writing, the goods are sold according to Incoterms 2010 (EXW).

The delivery time is counted from the date of INGEMANN issued a written order confirmation, under the conditions of all technical details and formalities for the order are specified at that time.

At shipping, all basic packaging materials are as INGEMANN estimates relevant, and the costs will be paid by the buyer, if the packaging is not expressly included in the price.
